

## Preparation for Remote and Flexible Learning from Monday 20th July

Dear Parents / Guardians

Please note the following as we prepare for another period of remote and flexible learning.

**From Monday 20th July, remote and flexible learning arrangements will apply for all students at Courtenay Gardens Primary School. Students must learn from home when they are able to do so.**

The school will resume the learning program using Google Classroom for Prep - Grade 3, and Microsoft Teams for Grade 4 - 6.

The school website will continue to be a source of information, including weekly planners of learning tasks for students who do not have access to a computer/internet, or parents who elect this.

Teachers have prepared 'book packs' for all students Prep-Grade 6. These will be available for pick up this Thursday 16th (9.00am- 3.00pm) and Friday 17th (9.00am- 1.00pm). Parents are to go to their child's classroom to collect these.

Loan devices of iPads and laptops. These will be available for collection from the school canteen from this Thursday. (same times as for book pack collection)

For students attending on-site from Monday 20th July, parents must complete the [onsite attendance form](#) by this Friday 17th July, and hand in to the office.

**Temperature checks are now required.** Any students attending onsite will have their temperature checked on arrival.

Please click [here](#) for a letter provided to parents from the Department Education.

I will continue to provide information and updates to you.

Thank you for your co-operation and understanding.

Kind Regards,

Marc de Ley

Principal
