

Principal's Update: Friday 24 July 2020

Dear Parents / Guardians

Thank you to the school community for your support to get back to remote and flexible learning this week. The teachers are working hard to ensure an effective and beneficial learning program can be offered, given the circumstances.

Please note:

1. Your child must learn from home if they can.
2. Onsite supervision is only a last resort, or for vulnerable students. Parents must complete the [onsite attendance form](#) each week for this. (also available from school office).
3. Loan devices (ipads/laptops) are being provided to families who need them. Go to [ICT agreement](#)

Please note the school curriculum day has been shifted to Monday 10th August. This will be a pupil-free day.

Thank you for your support and have a safe weekend.

Kind Regards,

Marc de Ley

Principal
