

Parent update Friday 1 May 2020

Dear Parents / Guardians

An update on things this week.

I hope you are travelling well in these challenging times. I would like to thank the parent community for their ongoing support with the remote and flexible learning arrangements. I am aware this is an increased burden of responsibility for you to supervise and assist with your child's learning.

Please note the following:

1. Next Friday 8th May will be a non-academic based remote learning day. The Week 4 learning tasks for Friday for each year level will focus on social, fun and family orientated tasks, including for Mother's Day on Sunday 10th May. Hopefully, this is a day which is more relaxed and focused on family time.

Teachers will be using the day to review the remote learning arrangement and plan for the future. Therefore, teachers will not be available for remote learning on this Friday, and will not do the usual touch-base in the morning or afternoon.

2. Compass Platform. The parent portal is being prepared. You will receive a letter next week with log in instructions to join the parent portal.

3. On-site learning. This [On-site Attendance Form](#), **MUST** be completed for the week Monday 11th - Friday 15th May, and returned to the school office by Friday 8th May, by 3.30pm. We will not be accepting students without this form being completed by the due date, as I need to prepare staffing for the supervision. Thank you for your co-operation in this.

4. Senior school live assembly. This commenced on Tuesday this week. It was a great success! This will now be a regular weekly fixture, every Tuesday at 10.00am.

Kind Regards,

Marc de Ley

Principal
