

Parent update Monday 20th April

Dear Parents / Guardians

I hope you and your family are safe and well.

Just a few points as we move into this week:

Loan Devices. We have had a huge request for these. We are contacting parents from today to pick devices up. Due to the volume requested, you may get a phone call later in the week or next week. Also, we are only giving one device per family at this stage.

Remote Learning. For those students doing remote learning on Google Classroom or Microsoft Teams, please ask your child to log in to the platform at 9.00am. This is when teachers are doing the initial check in for the day.

Compass. Please note you are receiving emails through Compass. Please do not try to log in to the Compass platform. We will be sending information with your log in details soon.

School Office. We are attempting to keep the office open this week. Please note the office is receiving a high volume of calls and requests. Please be patient and be aware we may not always be able to answer your question instantly. Thank you for your understanding.

The '**On-site Attendance Form,**' attached **MUST** be completed for next week Monday 27th - Friday 1st May, and returned to the school office by this Friday 24th April, by 3.30pm. We will not be accepting students next week without this form being completed by this Friday, as I need to prepare staffing for the supervision. Thank you for your co-operation in this.

Regards,

Marc de Ley

Principal
